

REMARKS

Reconsideration is requested.

Claims 1-26 are from the original patent and remain unamended.

A Statement of Status of Claims and Support in accordance with 37 CFR 1.174(c) is attached as a separate paper.

A Terminal Disclaimer has been provided as requested by the Examiner.

Claim 48 has been amended for increased clarity and readability.

Claim 52 has been amended to depend on claim 47, so that there is proper antecedent basis for the "identification number" in claim 53.

This application is believed to be in immediate condition for allowance, and action to that end is respectfully requested. If the Examiner's next anticipated action is anything other than a Notice of Allowance, the undersigned respectfully requests a telephone interview prior to issuance of any such subsequent action.

Respectfully submitted,
